ABOUT ME

Hi, I'm Wojciech and I'm passionate about all things Javascript. I work hard. I write clean code and I genuinely love to learn. I'm currently looking for the right opportunity to work in an environment that will help me progress into a full-stack role.

WORK EXPERIENCE

Web Development Experience
- Developed the front end of a business academy for TopNow company. Partnered with UI/UX designer.
- Developed Social web app and E-commerce website using JavaScript, HTML, CSS, SASS, React, Firebase and Heroku.
- Developed the back end for one of my app using node.js, postreSQL, postman.
- Developed many small apps using JavaScript, HTML, CSS.

Chef at Garcia As (February 2016 - present)
- Cooked for over 200 people a day.
- Learned how to think outside the box and how to optimize working routines.
- Learned how to cook delicious food in high-end restaurant.
